PROFILE

I am a Full-Stack Web Developer with 3.9+ years of experience building scalable and high-performance web applications using PHP (Laravel), Shopify, and WordPress.

I develop secure, user-friendly, and efficient applications, including eCommerce platforms, admin dashboards, and API-driven systems. I specialize in MySQL, JavaScript, jQuery, AJAX, REST APIs, and payment gateway integration.

I consistently focus on performance optimization, clean code, and seamless user experience to deliver reliable business solutions.
